

CAR ACCIDENT CHECK LIST

- ▽ Check yourself for injuries.
- ▽ Check your surroundings for safety.
- ▽ Move your car to the side of the road and out of danger if you can do so safely.
- ▽ Check on your passengers and other driver, if you can do so safely.
- ▽ Call 911.
- ▽ Exchange information with the other driver.
- ▽ Cooperate with police investigation.
- ▽ Take pictures of both vehicles and a wide-angle photo of the scene.
- ▽ Request an ambulance if you're in pain.
- ▽ If you don't feel like the ER is necessary, go to your nearest urgent care for evaluation.
- ▽ Schedule an appointment with your primary care doctor right away.
